

INDIGO™ (ADC-IG-100)

Safety That Moves With You

Meet IndiGo™—a sleek, go-anywhere safety wearable that keeps you connected and protected, with instant alerts and live operator assistance, 24/7.

Key Features

Discreet and Comfortable

IndiGo™ easily blends into daily life. Wear it on a breakaway lanyard or belt clip without sacrificing style or comfort.

Two-Way Audio

Talk directly with operators through built-in two-way audio.

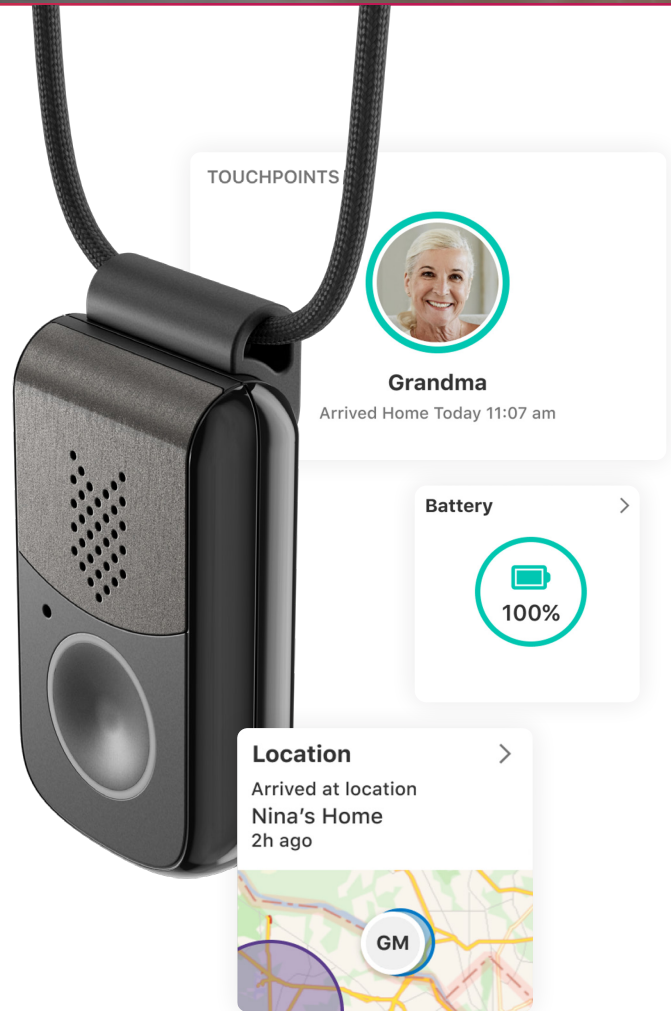

Emergency Alerts, Instantly

Whether a fall is detected or the button is pressed, alerts are sent to trained operators and loved ones.

Built for Real Life

Water-resistant, with a battery that lasts up to six days and a simple charging cradle.
